Peace I give you

Peace I give you, Peace I leave you,

Em D G B7
Peace when Heaven's won.

Em B7 Em B7
Worldly peace is ever passing;

Em B7 Em Em
Trust in God's own Son.

Yet good Savior, we must beg you,
Keep our land from war.
Guard our men who go in battle
On a foreign shore.

Beat the sword into the plowshare;
Let contention cease
Love your brothers; serve them gladly,
Seek the ways of peace

On the oceans, in the heavens,
Through the tropic heat,
Lead our brothers, sons and fathers;
Hate and fear defeat
